

## CODE OF CONDUCT

The primary goal of the IB World Student Conference is for every delegate to experience a safe and fulfilling week. As a global ambassador representing your school, each student must take responsibility for his or her own behavior. The following must be strictly observed by all delegates:

1. Students will be expected to stay on campus for the entire week. Parking for students driving to campus will be available. Students will not be allowed to use their vehicle during the week. Individuals not enrolled in the conference will not be allowed to visit.
2. Students must observe the designated lights out (11:30 p.m.). Noise must be kept to a minimum after that time and students must be in their own dorm rooms.
3. The use of drugs/alcohol/tobacco is strictly prohibited.
4. Students are expected to show respect for the staff, other delegates, and for the property we will be using (Oregon State University, Marine Hatfield Science Center).
5. Students should behave with cultural sensitivity and in good taste.
6. Students are expected to be on time for all sessions and participate in a positive manner.

Failure to adhere to this Code of Conduct could result in parent and school notification and/or immediate dismissal.

Group photos of participants may be taken during the week and used for publicity purposes. Individuals will not be identified in the photos.
